I'm writing up the details about Chairman Lee's trip to NYC to meet with the accrediting agencies.

Who went on the trip last week with Chairman Lee? Tim Lee, David Hankerson, William Volckman, Interim Finance Director, Buddy Tesar, Finance Division Manager

Did Lee and the others on the trip meet with the accrediting agencies Thursday, or was it Friday?
2 meetings on Thursday and one Friday morning.

Which bond agencies did they meet with?
Moodys, Fitch Rating, S & P Global Inc.

Does Cobb have a AAA rating (or the highest rating) with all three ratings agencies? Yes

Thanks in advance for your help.

John

Spoke with him briefly while on subway. Definitely not conducive for interview and he will not be arriving at hotel until after 6:30. Here is what he said regarding Windy Hill Rd, Double left hand turn project:

“Windy Hill at Highway 41 is key intersection in Cobb County. This project has been in the works for more than 4 years and I am looking forward to finally getting it done. This, along with the other \$1 billion in traffic congestion improvements happening right now, will improve traffic flow, mobility and most importantly, safety for all Cobb residents.”

Have a good night!
