See below from Chairman. Let's coordinate on other request. My kids are out of school today so we are catching up on doc appointments.

I'll be back in office tomorrow.

Ok?

"I am certainly disappointed that Cobb was not awarded a Tiger grant for the SMART corridor project. But, you win some, you lose some. Team Cobb is always pursuing funding from multiple partners for dozens of projects. When the appropriate funding is secured we will move forward with the SMART corridor project."

Also, I am working on a story for a couple weeks from now related to infrastructure investments associated with SunTrust Park. We'd really like to talk to the chairman for that.

Thanks,

DK

I am writing a story about Cobb being passed over for the 2015 TIGER grant. I would like to get the chairman's reaction to that news, and get his thoughts on next steps for the Smart Corridor project, and how that might impact the corridor.

Thank you
