The Parties hereto agree that BRED shall convey to the Authority on the Funding Date, by limited warranty deed, legal title to the Stadium Site free and clear of all encumbrances other than the Permitted Encumbrances and granting the County Parties reasonable right of access to the Stadium Site. The Parties acknowledge that the facilities and property rights acquired or to be acquired by the Authority from BRED will be acquired with only those representations or warranties contained in the limited warranty deed conveyed by BRED.

2.1.2 On the date that BRED conveys the Stadium Site to the Authority, an ALTA owner’s policy of title insurance (or binder as the Authority may elect) shall be issued to the Authority in an amount equal to the value of the land comprising the Stadium Site as described in the Stadium Project Budget plus the amount of any Improvements located or to be located thereon (with the actual amount to be determined upon receipt of a final survey of the Stadium Site) insuring title to the Stadium Site as being vested in the Authority and subject only to the Permitted Exceptions issued by a title company and underwriter reasonably acceptable to the Authority.

2.1.3 It is the understanding of the Parties that the final Stadium Site shall consist of the footprint of the Stadium and any Authority Parking Areas with dimensions to be determined by BRED, it being understood that a Site-specific plan may be approved which may allow for certain buildings to have no setback from the Stadium. The Authority agrees that following the conveyance of the Stadium Site to the Authority on the Funding Date, the Authority shall, subject to County zoning laws and other applicable regulations, enter into such land swaps, boundary line adjustments, plat modifications or other transactions with BRED and other Braves Parties as the Braves Parties deem reasonably necessary and appropriate to accurately document the final size and location of the Stadium Site as determined by the Braves Parties, with the right of the County Parties to review and provide comments in connection therewith. Such transactions shall be approved in writing by County Parties for adjustments increasing or reducing the total size of the Stadium Site by more than ten percent (10%), which approval shall not be unreasonably withheld, delayed or conditioned.

2.1.4 Not less than thirty (30) days prior to the conveyance of title to the Stadium Site to the Authority, the Braves Parties shall deliver to the County Parties a Phase I environmental site assessment with an effective date not more than one hundred eighty (180) days prior to the date on which title to the Stadium Site is to be conveyed to the Authority (the "**Stadium Site ESA**") covering the Stadium Site, which Stadium Site ESA shall be in form and content acceptable to the County Parties and containing no recognized environmental conditions, by Kimley-Horn and Associates, on which the County Parties shall be entitled to rely. 5.3 Selection of CM at Risk. The County issued an RFP for selection of the CM at Risk. Having concluded the selection process in accordance with the County's Procurement Process, the Parties shall select the CM at Risk to perform the Work pursuant to the RFP. The form of the Stadium Construction Management Agreement is attached as an exhibit to the RFP. The County acknowledges and agrees that ANLBC has the right to approve the form of Stadium Construction Management Agreement and the CM at Risk, such approval not to be unreasonably withheld, conditioned or delayed.

5.4 Establishment of a GMP. As further set forth in the CA Agreement, BCC shall cause the Architect to prepare and submit to BCC, ANLBC, and the County, Stadium Design Documents that will enable the CM at Risk to prepare and submit a proposed, Final GMP pursuant to the Stadium Construction Management Agreement. The County Board agrees to promptly execute the GMP Amendment to the Stadium Construction Management Agreement in accordance with the Stadium Project Budget.

5.5 Lists of Contractors and Subcontractors. Upon request of the County, the Braves Parties shall promptly furnish to the County correct lists of all contractors and subcontractors employed in connection with the performance of the Work, and true and correct copies of all executed contracts, subcontracts and purchase orders therefor.

5.6 Permits. Except to the extent that the Braves Parties are unable to do so due to the County's or the Authority's failure to perform its obligations under this Agreement, the CM at Risk shall be required to comply with and keep in effect all Permits and other approvals obtained from any Governmental Authorities, regardless of the procurer of such Permits, that relate to performance of the Work and completion of the Stadium Project.

5.7 Insurance.

5.7.1 Insurance. The Parties shall obtain insurance as required by the CA Agreement or as may be mutually agreed by the Parties, with the cost of such insurance for the Parties to be included within the Stadium Project Budget. The County and the Authority acknowledge that the Braves Parties reserve the right to utilize an "owner or contractor controlled" insurance program. Any such "owner or contractor controlled" insurance program shall, at a minimum, include general liability insurance. The program may cover, at a minimum, the Parties, the Construction Administrator, enrolled contractors, trade contractors, and subcontractors of every tier, and enrolled consultants (as approved by the Braves Parties)

involved in the Stadium Project. The Braves Parties shall also place and maintain an owner protective professional indemnity policy and a pollution liability policy as agreed among the Parties. The Braves Parties shall also place and maintain builder's risk insurance for the Stadium as further defined in Section 5.7.3. The limits of liability for the various insurance coverages and other details of the owner or contractor controlled insurance program are described in the General Conditions of the Contract for Construction attached to the CA Agreement, a copy of which each Party has reviewed and approved.

5.7.2 Delay in Completion Date. The Parties acknowledge that, under various circumstances, the Braves Parties may be entitled to payments as compensation for construction delays or payments to cover certain costs of acceleration pursuant to the builder's risk policy or the "owner or contractor controlled" insurance program if such is implemented by the Braves Parties with respect to the Stadium Project or pursuant to other insurance policies that may be maintained by the Braves Parties to cover the costs of delays in construction or construction acceleration costs. The County Parties agree that completion of the Stadium and the Authority Parking Areas on time is of great importance to the Braves Parties and that the Braves Parties will suffer substantial damages in the event the Stadium and the Authority Parking are not completed on time. As such, the Parties agree that the Stadium Construction Management Agreement with the CM at Risk shall contain a provision that if the Stadium and the Authority Parking Areas are not completed on or before March 1, 2017, the CM at Risk agrees to compensate the Braves Parties through late delivery liquidated damages in an amount acceptable to the Braves Parties and to be set forth in the Stadium Construction Management Agreement for each home game for which the Stadium is not available for the Team to play its home games, and to compensate other Parties through other liquidated damages as deemed appropriate by the Parties and set forth in the Stadium Construction Management Agreement.

5.7.3 Risks of Damage or Destruction Prior to Completion. The Parties acknowledge that the Braves Parties shall obtain, as a part of the Stadium Project Budget, a builder's risk policy for the Stadium Project, which provides coverage for direct physical loss or damage resulting from an insured peril at the Stadium Project or to personal property that is at the Stadium, in storage or in transit. The maximum deductible under such builder's risk policy shall be \$250,000. Payment of any deductible resulting from an insured peril under the insurance shall be a Stadium Cost. This coverage may include sublimits for delay in completion (including gross earnings and soft costs) and for other perils such as terrorism, wind, flood, and earthquake, if covered by such policy. The policy shall be an "all risk" or "special form" policy. The Braves Parties, the County, the CM at Risk and the Authority shall cooperate with each other and jointly adjust and settle any loss insured under the builder's risk insurance. The proceeds of any recovery under such builder's risk policy shall be paid to BCC for the benefit of the insured parties under such builder's risk policy, as their respective interests may appear. BCC shall apply the proceeds of any recovery under such builder's risk policy of property insurance for physical loss or damage (but excluding recovery of soft costs as described in Section 5.2(a)(i)(ii) of the CA Agreement) toward restoration of the damage giving rise to such proceeds and shall, to the extent received by BCC, pay all other proceeds to the insured party entitled to such proceeds. The Braves Parties shall not be liable or otherwise financially responsible for any loss or damage caused by the County Parties that is not covered by the builder's risk insurance. The County Parties shall not be liable or otherwise financially

responsible for any loss or damage caused by the Braves Parties that is not covered by the builder's risk insurance.

ARTICLE 6
FINANCING AND FUNDING OF THE PROJECT

6.1 Funding Plan.

6.1.1 The following provisions shall apply with respect to the funding of the Stadium Project:

(a) A portion of the Stadium Project shall be funded by the proceeds of the Cobb-Marietta Coliseum and Exhibit Hall Authority Revenue Bonds (Cobb County Coliseum Project), Series 2014 (as more fully defined in the Trust Indenture, the "**Bonds**") to be deposited into the Bond Proceeds Account in the amount of Three Hundred Sixty Eight Million Dollars (\$368,000,000) on the Funding Date, together with investment earnings on such Bond proceeds.

(b) A portion of the Stadium Project shall be funded by the CID Contribution, to be paid by the CID to the Bond Trustee in four (4) equal annual installments, with the first such installment to be paid to the Bond Trustee on the Funding Date and the annual installments payable thereafter on or before December 31, 2014 provided that the Funding Date has occurred, December 31, 2015, December 31, 2016, and December 31, 2017, each such installment to be deposited by the Bond Trustee into the CID Contribution Account, together with investment earnings thereon.

(c) Following the expenditure of all County Bond proceeds deposited into the Bond Proceeds Account, together with the investment earnings thereon, all CID Contribution Funds deposited into the CID Contribution Account, together with investment earnings thereon, 100% of each Construction Fund Requisition and all remaining costs of the Stadium Project shall be paid by ANLBC Contribution Funds, except where such costs arise out of negligent actions or omissions of the Authority or the County, or any change order requested by the County.

(d) The balance of the Stadium Project (other than amounts to be funded pursuant to subparagraph (e) below) shall be funded by the ANLBC Contribution to be contributed by ANLBC and paid to the Bond Trustee for deposit into the ANLBC Contribution Account in the amounts and at the times required in order to fully fund that portion of any Construction Fund Requisition identified in such Construction Fund Requisition as the amount to be funded by the ANLBC Contribution (the "**ANLBC Contribution Portion**"), as further provided in Section 6.1.4; as provided in the Trust Indenture, the ANLBC Contribution Account, any money held therein from time to time and any investment earnings thereon shall not constitute a part of the Trust Estate securing the Bonds. Notwithstanding the above, the timing and order of ANLBC Contribution advanced will not determine the ultimate application of contributions to particular asset classes.

(e) In addition, the County will contribute certain transportation improvements benefitting the Stadium Project to be funded by the Transportation Improvement Contribution.

The Parties have elected to pursue issuance of the Bonds as the most appropriate financing method; provided, however, that nothing herein shall preclude the Parties from pursuing other financing or funding options as necessary or appropriate, as authorized by Applicable Law.

6.1.2 The Bond Trustee shall not fund a Construction Fund Requisition that contemplates a portion thereof being paid with ANLBC Contribution funds until it has received such funds in the amount required by such Construction Fund Requisition.

6.1.3 Pursuant to the Assurance Agreement, ANLBC shall guarantee that the ANLBC Contribution funds will be paid to the Bond Trustee in such amounts and at such times required in order to timely and fully fund the ANLBC Contribution Portion contemplated for any Construction Fund Requisition in accordance with the Trust Indenture.

6.1.4 Pursuant to the CA Agreement and the Stadium Construction Management Agreement, the CM at Risk shall prepare all Applications for Payment, and the Construction Administrator and the Program Manager shall review and approve all Applications for Payment. Pursuant to the CA Agreement, the Construction Administrator shall provide copies of all Applications for Payment to the County Project Manager for review and approval, and shall assemble all Applications for Payment, and upon the County Project Manager's approval thereof, coordinate the inclusion thereof into each Construction Fund Requisition.

6.1.5 Pursuant to the Trust Indenture, each Construction Fund Requisition shall be in substantially the form attached as an exhibit to the Trust Indenture, shall be prepared and submitted by the Construction Administrator in accordance with the CA Agreement, and shall be approved and signed by the Construction Administrator, the County Representative, and ANLBC. Specifically and without limitation, the Construction Administrator, following review and consultation with the County Project Manager, shall determine and identify in each Construction Fund Requisition (i) the amount of any portion thereof to be paid by funds in the CID Contribution Account within the Construction Fund, and (ii) the amount of any portion thereof to be paid by Bond proceeds in the Bond Proceeds Account within the Construction Fund, and (iii) any remaining balance, which shall constitute the ANLBC Contribution Portion and be funded by ANLBC Contribution funds paid to the Bond Trustee for deposit into the ANLBC Contribution Account. Each Construction Fund Requisition shall include itemized schedules attached thereto itemizing and identifying the Stadium Costs to be paid by CID Contribution funds, by Bond proceeds, and by ANLBC Contribution funds respectively, all in accordance with the CA Agreement. Funds in the amount of the ANLBC Contribution Portion, if any, of such Construction Fund Requisition shall be paid to the Bond Trustee by ANLBC in immediately available federal funds no later than three (3) Business Days after the Bond Trustee's receipt of such Construction Fund Requisition.

6.1.6 Pursuant to the Trust Indenture, Construction Fund Requisitions may be presented to the Bond Trustee for payment no more frequently than monthly (unless otherwise

agreed to by the Parties in writing) and shall be paid by the Bond Trustee within three (3) Business Days of the Bond Trustee's receipt thereof.

6.2 Audit Rights. Each Party shall have the right to audit the Stadium Project Accounts and all expenditures paid therefrom, upon reasonable notice, at its own expense and under commercially reasonable arrangements approved by the Bond Trustee, which approval shall not be unreasonably withheld, conditioned or delayed. The Parties and the Bond Trustee shall reasonably cooperate with the assigned auditors (internal or external) in connection with each such audit, including by providing access to such auditors to all relevant records in each of their possession and control under the aforesaid commercially reasonable arrangements approved by the Bond Trustee. The Party conducting the audit shall provide a complete copy of the audit report to all other Parties and the Bond Trustee promptly following receipt of such report. For the avoidance of doubt, the Party conducting the audit shall bear the costs incurred by it and any costs incurred by the Bond Trustee in connection with such audit rights, which costs shall not be deemed to be Stadium Costs. Notwithstanding the foregoing, the County and ANLBC may agree to jointly retain an external, independent auditor, in which event the cost of the joint auditor shall be deemed to be a Stadium Cost.

6.3 Construction Fund. The Stadium Project Accounts comprising the Construction Fund will each be established and maintained by the Bond Trustee in accordance with the Trust Indenture. Pursuant to the Trust Indenture, funds in each such Account shall be invested in accordance the Trust Indenture, and investment earnings shall be retained in the respective Account and shall be expended therefrom in accordance with the Trust Indenture. Pursuant to the Trust Indenture, the ANLBC Contribution Account, any money held therein from time to time and any investment earnings thereon shall not constitute a part of the Trust Estate securing the Bonds.

6.4 Stadium Project Advanced Funds. The Parties acknowledge that the Braves Parties have already expended, and may in the future expend, Stadium Project Advanced Funds. The Braves Parties shall receive reimbursement on the Funding Date of the Stadium Project Advanced Funds contained in a Construction Fund Requisition prepared in accordance with the CA Agreement and submitted to the Bond Trustee in accordance with the Trust Indenture. Following the Funding Date, invoices shall be paid by a Construction Fund Requisition prepared in accordance with the CA Agreement and submitted to the Bond Trustee in accordance with the Trust Indenture. Any invoices paid directly by the Braves Parties for items contained in the Stadium Project Budget but not submitted for reimbursement shall be deemed a part of the ANLBC Contribution.

6.5 Cost Overruns. The Braves Parties shall be responsible for payment of any Cost Overrun, which payment shall be made upon demand by the County or at such earlier time as may be necessary to ensure the payment or performance, as the case may be, of the subject task or expense itemized in the Stadium Project Budget within the applicable, timeframe contained in the Stadium Construction Documents, including the Project Milestone Schedule. So long as the Braves Parties are diligently proceeding to complete the Stadium in accordance with the Contract Documents (including the Project Milestone Schedule), the County shall not incur costs for which the County shall not be liable or to obligate the Braves Parties to incur costs without the prior written approval of the Braves Parties.

6.6 Cost Savings. If the actual Stadium Costs are less than the Stadium Project Budget, Cost Savings may be used for other mutually agreed upon Improvements to the Stadium or to acquire and install mutually agreed upon furniture, fixtures and equipment or advanced electronic equipment or technological services at or in connection with the Stadium, or in the absence of such mutual agreement shall be transferred to the Capital Maintenance Fund as described in the Stadium Operating Agreement.

6.7 Sales Tax Exemption. The County and the Authority shall cooperate with the Braves Parties to utilize any sales tax exemptions for materials and equipment available pursuant to Applicable Law. The County or the Authority (as applicable) shall execute and deliver all documents and certificates as necessary to assure that the Stadium Project is eligible to take full advantage of any available sales tax exemptions for materials and equipment.

6.8 Ownership of Stadium Project, Stadium Operating Agreement and Public Infrastructure.

6.8.1 Ownership of Stadium Project.

(a) The Braves Parties acknowledge and agree that the Stadium Site together with all real property constructed, installed and placed on the site, including the Stadium, the Authority Parking Areas, the Public Infrastructure, and all items permanently affixed thereto (collectively, the “**Authority Stadium Property**”), and all right, title and interest thereto and therein, shall be the property of and owned by the Authority, subject, however, to a license to use the Authority Stadium Property as is conferred to the Braves Parties pursuant to the Stadium Operating Agreement. In furtherance thereof, the Braves Parties will execute and deliver to the Authority a bill of sale for the Authority Stadium Property in form and substance reasonably acceptable to the Parties, subject to the Braves Parties’ rights in the Authority Stadium Property pursuant to the Stadium Operating Agreement and other Definitive Documents. The Authority agrees that the Braves Parties shall retain all tax benefits with respect to the Authority Stadium Property as set forth at Section 6.8.4 below.

(b) The Authority hereby agrees that it will not create or enter into any liens, operating agreements, management contracts, use agreements, leases, liens, deeds to secure debt or security deeds relating to the Stadium or the Stadium Site without the prior written approval of the County and the Braves Parties.

6.8.2 ANLBC Stadium Property. The Parties acknowledge and agree that (i) portions of the ANLBC Contribution and payments under the Stadium Construction Management Agreement shall be used to construct or provide (or cause to be constructed or provided) certain specific Improvements, fixtures, furnishings, equipment, other Code Section 1245 personal property to be placed in or upon the Stadium and related property, and other tangible property (collectively, the “**ANLBC Stadium Property**”), and (ii) the Braves Parties shall retain the sole legal and beneficial ownership of the ANLBC Stadium Property to the extent that the capital cost of such ANLBC Stadium Property shall not include the costs of Public Infrastructure. The Braves Parties will have the right to remove the ANLBC Stadium Property which is legally and beneficially owned by any of the Braves Parties at its or their discretion, subject to the Braves Parties’ responsibility to pay for the reasonable costs of removal and

restoration of all areas affected by such removal to a safe and reasonably reusable condition. If the removal of a specific item of the ANLBC Stadium Property will result in the Stadium (or any material component thereof) not being susceptible to use in its normal and customary manner as a multi-use sports facility, then the Braves Parties shall have no right to remove that item of ANLBC Stadium Property.

6.8.3 ANLBC Stadium Property Schedule. For purposes of identifying the ANLBC Stadium Property and the ANLBC's Beneficial Rights (as defined below) therein, a schedule identifying the items constituting the ANLBC Stadium Property and allocating the Braves Parties' investment among the items forming the ANLBC Stadium Property as the Braves Parties shall elect (the "**ANLBC Stadium Property Schedule**") is set forth on **Exhibit G** hereto. Following the Completion Date, the Braves Parties shall deliver to the County Parties an updated, revised and final ANLBC Stadium Property Schedule, which shall be reviewed by ANLBC's accounting, appraisal or valuation firm pursuant to Section 6.8.4 below. The ANLBC Stadium Property Schedule shall be final and binding on the Parties absent manifest error. If either of the County Parties deliver to the Braves Parties a written objection and the basis thereof to the ANLBC Stadium Property Schedule within ten (10) Business Days of receipt by the Authority, then the Parties shall negotiate in good faith to finalize a mutually acceptable ANLBC Stadium Property Schedule.

6.8.4 ANLBC Depreciable Interest in ANLBC Stadium Property and Improvements. The Parties acknowledge and agree that, notwithstanding the Authority's legal ownership of the Authority Stadium Property, (i) the Braves Parties shall have the sole beneficial and depreciable interest in all of the ANLBC Stadium Property for income tax purposes, whether temporary or permanent and (ii) for all income tax purposes, neither the Authority nor any other Person shall have the right to take depreciation deductions with respect to the ANLBC Stadium Property or claim any other right to tax benefits arising from the ANLBC Stadium Property, such as depreciation deductions and any other tax credits, deductions, and benefits (collectively, "**ANLBC Beneficial Rights**") being exclusively reserved to the Braves Parties unless assigned by any of the Braves Parties, in whole or in part, to one or more third Persons (including, without limitation, to Affiliates). In addition, while the Braves Parties shall have no legal or beneficial ownership in and to any of the Authority Stadium Property, the Braves Parties shall have (1) a license to use the Authority Stadium Property as created by and arising from the Stadium Operating Agreement and (2) a depreciable interest for tax purposes in, though no legal ownership of, all Improvements to the Authority Stadium Property paid for or otherwise funded by the Braves Parties. Neither the Braves Parties' ownership of, nor the ANLBC Beneficial Rights in, the ANLBC Stadium Property shall in any way affect, limit, modify or change in any way the rights, obligations and responsibilities of the Parties, as more particularly set forth in this Agreement. For purposes of identifying the items subject to ANLBC Beneficial Rights, following the Completion Date, the Braves Parties shall cause a nationally recognized accounting, appraisal or valuation firm to prepare a schedule determining ANLBC's Beneficial Rights with respect to the ANLBC Stadium Property, and the Improvements to the Stadium paid for or otherwise funded by the Braves Parties and shall deliver a copy of such schedule to the County Parties.

6.9 Braves Parties Use of Related Entities. The County Parties hereby acknowledge, agree, and approve that (i) any of the obligations of any of the Braves Parties

under this Agreement may be performed by any of the Braves Parties, a related entity of any of the Braves Parties, or a third party with common beneficial or equity ownership with any of the Braves Parties (including trusts or other entities established for the benefit of one or more members of the Braves Parties' ownership) and (ii) the Braves Parties, a related entity of the Braves Parties or a third party with common beneficial or equity ownership with the Braves Parties (including trusts or other entities established for the benefit of one or more members of the Braves Parties' ownership) may receive revenues to which the Braves Parties are entitled under this Agreement; provided, however, the Braves Parties shall remain jointly and severally liable to the County Parties for the failure of any such assignee to perform any duty, comply with any obligation or contractual requirement under this Agreement, or pay any liability that is assigned to a related entity of the Braves Parties or a third party as described above.

6.10 Stadium Project Budget. The Parties hereby approve the Stadium Project Budget. Except for the ANLBC Discretionary Amount, any other increase or decrease in the Stadium Project Budget shall require the prior written consent of the Parties.

ARTICLE 7
TRANSPORTATION AND INFRASTRUCTURE AGREEMENT

7.1 Transportation Improvements and Safety Plan.

7.1.1 As contemplated in the MOU, the Braves Parties and the County will work in good faith with each other to facilitate the planning and implementation of Improvements and connections to existing and future public transportation to improve, to the fullest extent possible, convenient and safe access to and from the Stadium Site and the Retail and Entertainment District. Each Party to this Agreement will also use their respective best efforts in pursuing sources of federal and state funding to assist in planning, creating and maintaining such Improvements and connections; provided, however that neither the Braves Parties nor County will have any funding obligations in connection therewith. The County shall cause to be completed, in a timely manner, the projects described in the Transportation and Infrastructure Plan attached hereto as **Exhibit H** and/or such other projects as the Parties may agree upon from time to time subject to funding availability. The County shall provide the Braves Parties with monthly status updates regarding the projects described in the Transportation and Infrastructure Plan. The County understands and acknowledges that the pedestrian/transit bridge and passenger circulator described in the Transportation and Infrastructure Plan are desirable to maximize the operational efficiency of the Stadium and ensure safe access to and from the Stadium and shall provide the Braves Parties with a reasonable opportunity to review and provide comments regarding any plans in connection with their construction or implementation. The proposed pedestrian/transit bridge and passenger circulator would serve multiple locations and destinations in the area and would properly be a County-controlled and governed facility and operation.

7.1.2 The County shall use its best efforts, to the extent budgeted and permitted by Applicable Law and in accordance with all applicable requirements, to modify and move any existing roadways, as may be necessary to accommodate access to the Stadium Site and the Authority Parking. No portion of the County Contribution shall be utilized for any private roadways to be located on any portion of the Site.

7.1.3 The Parties agree to provide a safety plan to manage and coordinate ingress and egress into, from and around the Stadium Site and the Authority Parking Areas for all Stadium Events.

7.2 **Public Infrastructure Work.** The Public Infrastructure Work required for the Stadium Site shall include, without limitation storm water management, water, gas and electric lines and roads located on the Site.

7.3 **Work to be Funded with CID Contribution.** The CID Intergovernmental Agreement shall provide Improvements to be funded by the CID Contribution.

7.4 **Levies and Assessments.** The County agrees that the Site will not be subjected to levies or assessments for off-site transportation or other Improvements unless the burden of any such levies or assessments falls equitably on lands other than the Site within the County.

7.5 **Offsite Improvements.** If any of the Braves Parties is ever required by County to construct transportation Improvements or other facilities on lands not owned by the Braves Parties, then County shall provide or cause to be provided, as a condition precedent to the performance of such obligations, the real property rights and interests necessary for the construction of such Improvements or facilities.

7.6 **Stadium Event Clean Up.** The costs associated with clean up and trash collection related to events at the Stadium Site shall be allocated as provided for in the Stadium Operating Agreement.

ARTICLE 9 **ASSIGNMENT AND COOPERATION**

9.1 Assignment.

9.1.1 The County Parties may not assign their respective rights or obligations hereunder without the prior written consent of ANLBC, which consent shall be in ANLBC's sole discretion.

9.1.2 Except as provided in Section 9.1.3 below, the Braves Parties shall not be entitled to transfer or assign any of their respective obligations hereunder (a "**Transfer**") without the prior written consent of the County Parties, which consent shall be in their sole discretion and may be conditioned upon the applicable Braves Party or Braves Parties remaining liable under this Agreement if the County Parties are not reasonably satisfied with the creditworthiness of any proposed transferee ("**Transferee**").

9.1.3 The Braves Parties may, without the prior written consent of the County Parties, enter into a Permitted MLB Membership Transfer upon receipt of MLB Approval, provided that (i) such Transferee assumes, in a writing reasonably satisfactory to the County Parties, all of the obligations of the Braves Parties under this Agreement (unless such acquisition is in the form of a stock acquisition and the Braves Parties remain Parties to this Agreement), and (ii) such Transferee assumes all of the other obligations of the Braves Parties under the other Definitive Documents. The Braves Parties shall provide the County Parties written evidence of

MLB Approval of the Transferee within three (3) Business Days after the Braves Parties' receipt thereof.

9.1.4 For the avoidance of doubt, notwithstanding anything contained in this Agreement to the contrary, the Parties confirm that the Braves Parties shall have the right, subject to the terms and provisions of this Agreement, without the consent of the County Parties and without any such action being considered a Transfer, in connection with the exercise and performance of the rights provided herein, to sell or grant to Persons (whether on a long-term or short-term, or continuing or periodic basis), licenses, usage or similar rights described in this Agreement. In addition, a change of control of the Braves Parties pursuant to which such Braves Parties remain parties to this Agreement shall not be considered a Transfer hereunder.

9.2 Cooperation.

9.2.1 Within ten (10) Business Days after receipt of written notice from the Braves Representative and, subject to any limitations of its authority under Applicable Law and subject to the provisions of this Agreement, each of the County Parties shall consent to, execute and deliver to the Braves Representative for the benefit of the Braves Parties any suitable applications or evidence of the County Parties' authority required by any governmental or other body claiming jurisdiction in connection with any matters to be undertaken in accordance with this Agreement.

9.2.2 A Party, upon reasonable request of the other Party, shall execute and deliver, or cause to be executed and delivered, any further documents and take any further actions as may be reasonably necessary or expedient to consummate the transactions provided for in, and to carry out the purpose and intent of this Agreement.

9.2.3 Consistent with existing practice, the County shall, to the extent legally permissible, assist the Braves Parties in connection with all required zoning ordinance and/or land use ordinance amendments, land use, zoning, rezoning, use Permits, road approvals, utility approvals, landscape approvals, liquor licenses and such other Permits and approvals as may be necessary to permit the Braves Parties to develop and utilize the Site and develop the Stadium Project in accordance with the Approved Entitlements and the Master Declaration, including participation in meetings and hearings with other governmental entities, as and to the extent permissible.

9.2.4 The Parties shall work cooperatively to ensure that the entirety of the Stadium Project receives municipal services, including police and security, fire prevention, emergency medical, street cleaning/trash removal and other similar services as required by Applicable Law.

9.3 Master Declaration.

9.3.1 The Master Declaration shall establish mutually beneficial restrictions under a general plan of improvement for the benefit of the Stadium Site and the Development Parcels, and which shall establish certain procedures for the development, administration, maintenance and preservation of the Development Parcels in order to establish a successful Mixed-Use Project that successfully integrates with the Stadium Project and remains flexible for

future development. The Master Declaration shall additionally include, among other things, for utility, access and other required easements as may be reasonably necessary for the development, construction and operation of the Stadium. Prior to the recordation of the Master Declaration, the County Parties shall have the right to approve provisions of the Master Declaration that benefit or burden the Stadium Site, which approvals shall not to be unreasonably withheld, delayed or conditioned. The Authority agrees to take title to the Stadium Site subject to the Permitted Encumbrances and to cooperate with the Braves Parties in connection with the exercise of the rights reserved to the Braves Parties thereunder.

ARTICLE 10 **DEFAULT AND REMEDIES**

10.1 Braves Default. Any one or more of the following shall, if not cured within ten (10) Business Days for defaults of a monetary nature and thirty (30) days for defaults of a non-monetary nature (subject to extension as provided at Section 10.3 below) following the Braves Parties' receipt of a Default Notice, constitute a "**Braves Default**":

10.1.1 Default by the Braves Parties in the due and punctual payment, performance or observance of any material obligation of the Braves Parties under this Agreement as to which either of the County Parties has given a written Default Notice to the Braves Parties, which default the Braves Parties do not cure within the period of time specified for cure in such Default Notice;

10.2.3 Any report, certificate or other document furnished by the County to the Braves Parties pursuant to this Agreement is intentionally false or misleading in any material respect as of the time furnished.

10.3 Additional Time to Cure Defaults. In the event that a defaulting Party hereunder is unable to cure a default curable other than by payment of money within thirty (30) days as provided at Sections 10.1 or 10.2 of this Agreement because such default is not reasonably capable of being cured within such thirty (30) day period as a result of a Force Majeure or otherwise, the non-performing Party shall have an additional, reasonable period of time to cure such default not to exceed an additional ninety (90) days if such non-performing Party promptly commences to cure within such thirty (30) day period and diligently pursues such cure thereafter to its completion.

10.4 Default Notices to Braves Parties. At any time as of which there exists a Braves Default by any of the Braves Parties in connection with the due and punctual payment, performance or observance of any obligation of any of such Braves Parties under this Agreement, the County Parties shall give the Braves Parties a Default Notice.

10.5 Remedies for Braves Default. If a Braves Default exists that is not cured following expiration of the cure period described in the Default Notice, the County Parties may, but shall not be obligated to, as its sole remedy for the Braves Default: (a) recover from the Braves Parties any sums of money that are due and payable by such Braves Parties to the County or the Authority under this Agreement including Damages available pursuant to Applicable Law; or (b) commence an action for specific performance or other equitable relief against the Braves Parties with respect to the defaulted obligations. Each of the Braves Parties has agreed to be jointly and severally liable for any obligations of any of the Braves Parties hereunder.

10.6 Default Notices to County. At any time as of which there exists a County Default by either the County or the Authority in connection with the due and punctual payment, performance or observance of any obligation of either the County or the Authority under this Agreement, the Braves Parties shall give the County Parties a Default Notice.

10.8 Dispute Resolution. Where this Agreement provides that a specific dispute arising under this Agreement (a “**Dispute**”) is subject to the provisions of this paragraph, such Dispute shall be resolved as follows:

10.8.1 The Party claiming a dispute shall promptly send notification of such Dispute (the “**Dispute Notice**”) to the other Party hereto, which Dispute Notice shall include, at a minimum, a description of the Dispute, the basis for the Dispute and the contractual provision or provisions violated by the Dispute. With respect to any Dispute, the ANLBC Representative and the County Representative and their counsel, or their respective designees, upon the request of either Party, shall meet as soon as conveniently possible, but in no case later than ten (10) days following receipt of the Dispute Notice, to attempt to resolve such Dispute. Prior to any meetings between the Parties, said Parties shall exchange relevant information that will assist the Parties in resolving their Dispute.

10.8.2 If, after the meeting between the ANLBC Representative and the County Representative as set forth in Section 10.8.1, such Parties determine that the Dispute cannot be resolved on mutually satisfactory terms, then either Party may deliver to the other Party a notice of private mediation and the Parties shall promptly discuss the selection of a mutually acceptable mediator. If, within ten (10) business days after the meeting of the ANLBC Representative and the County Representative, the Parties are unable to agree upon a mediator, the Parties shall submit the Dispute to non-binding mediation administered jointly by the Parties with JAMS Mediation, whereupon the Parties shall be obligated to follow the mediation procedures promulgated by JAMS Mediation with respect to the selection of mediators and the mediation process. Any mediation pursuant to this Section 10.8.2 shall commence within forty-five (45) calendar days after selection of the mediator. The cost and expense of the mediator shall be equally shared by the Parties and each Party shall submit to the mediator any information or position papers that the mediator may request to assist in resolving the Dispute. The Parties will not attempt to subpoena or otherwise use as a witness any person who serves as a mediator, will assert no claims against the mediator as a result of the mediation, and will hold the mediator harmless from claims by third parties arising out of or relating to the mediation provided for in this Section 10.8.2. Notwithstanding anything in the above to the contrary, if a Dispute has not been resolved, then either Party may elect to proceed pursuant to Section 10.8.4 below. Mediation shall be a condition precedent to any litigation.

10.8.3 For the duration of any Dispute, each Party shall continue to perform as required under this Agreement notwithstanding the existence of such Dispute. In the event of a Dispute involving the payment of money, the Parties shall make any required payments, excepting only such amount as may be disputed.

10.8.4 If a Dispute has not been settled or resolved within seventy-five (75) calendar days after the Dispute Notice, then either Party shall further notify the other Party of its

intent to pursue litigation in connection with the Dispute, whereupon either Party may then commence litigation in the Superior Court of Cobb County, Georgia.

10.9 Right to Terminate by Braves Parties. The Braves Parties shall have the unilateral right, in their sole and absolute discretion, to terminate this Agreement at any time following December 31, 2014 in the event that the Funding Date has not yet occurred.

ARTICLE 11 **INDEMNIFICATION AND EXCULPATION**

In no event shall the County Parties have any liability in connection with the demolition, environmental remediation and/or construction of any Improvements at the Stadium Project as a result of or arising from any approvals relating thereto given or withheld (or the right to give or withhold such approvals) pursuant to this Agreement, or as a result of or arising from any other right or non-delegable governmental duty to review, comment on or evaluate any plans, drawings, specifications or other documents in connection with the construction or operation of the Stadium Project. In no event shall any such review, approval, comment or evaluation by the County Parties relieve the Braves Parties of (a) any liability or responsibility under this Agreement, it being understood and agreed that the Braves Parties are at all times ultimately relying on the Braves Parties' skill, knowledge and professional training and experience in preparing (or causing the preparation of) any plans, drawings, specifications or other documents or (b) the responsibility of the Braves Parties to comply with all Applicable Laws.

Such obligation shall not be construed to negate, abridge or otherwise reduce other rights or obligations of indemnity which would otherwise exist pursuant to this Agreement. The provisions of this Section 11.3 shall survive the Term of this Agreement to the extent of any Loss based upon or arising out of any acts or omissions occurring during the Term of this Agreement.

11.4 County Indemnification Obligations. To the fullest extent permitted by Applicable Law, the County shall indemnify, and hold harmless the Braves Parties, lenders, Affiliates, officers, employees, representatives, consultants, agents, and MLB from and against any and all Loss to the extent caused by, resulting from or arising out of (i) any negligent action,

inaction, omission or intentional misconduct by the County Parties (expressly excluding from this (i) negligent acts or omissions that the County would not be responsible for under Applicable Law); (ii) any costs caused by the negligent acts or omissions that the County Parties would not be responsible for under Applicable Law); or (iii) any breach by the County Parties of any of its obligations, representations or warranties contained in this Agreement. Such obligation shall not be construed to negate, abridge or otherwise reduce other rights or obligations of indemnity which would otherwise exist pursuant to this Agreement. The provisions of this Section 11.4 shall survive the Term of this Agreement to the extent of any Loss based upon or arising out of any acts or omissions occurring during the Term of this Agreement.

11.5 Limitation of Liability. Except for the indemnification obligations of each Party listed above for Losses by third parties, and, except to the extent covered by insurance, in no event shall any Party be liable for incidental, special, consequential or punitive Damages suffered by a Party and each Party shall in all events seek to mitigate its Damages to the extent required by law.

ARTICLE 12 **GENERAL PROVISIONS**

During the Term of this Agreement, each Party shall designate, by written notice to the other Parties from time to time, a representative who shall act as such Party's representative for coordination of design and construction matters and who shall have authority to render ordinary day-to-day decisions and furnish information contemplated to be made or furnished by such Party under this Agreement.

12.2 Estoppel Certificates. Each Party (an "**Estoppel Responding Party**") shall, from time to time, within ten (10) Business Days after written request by another Party (an "**Estoppel Requesting Party**"), execute and deliver to the Estoppel Requesting Party and/or such third party designated by the Estoppel Requesting Party, a statement in writing certifying (a) that (except as may be otherwise specified by the Estoppel Responding Party) (i) this Agreement is in full force and effect and unmodified, (ii) the Estoppel Responding Party is not in default in the performance or observance of its obligations under this Agreement, and (iii) to the Estoppel Responding Party's actual knowledge, the Estoppel Requesting Party is not in default in the performance or observance of the Estoppel Requesting Party's obligations under this Agreement, and (b) as to such other factual matters as the Estoppel Requesting Party may reasonably request about this Agreement, the status of any matter relevant to this Agreement, or the performance or observance of the provisions of this Agreement.

12.4 Relationship of the Parties. The relationship of the Parties under this Agreement shall be that of independent contractors and nothing herein or in any related document or representation shall be construed to create or imply any relationship of employment, agency, partnership or any other relationship other than that of independent contractors. Each of the Parties acknowledge and agree that each is engaged in a separate and independent business and neither shall state, represent or imply any interest in or control over the business of the other.

12.5 Governing Law. The laws of the State of Georgia shall govern as to the interpretation, validity and effect of this Agreement, without regard to such state's choice of law principles.

12.6 Jurisdiction. This Agreement shall be construed and enforced in accordance with the Laws of the State of Georgia. The Parties hereby submit to the exclusive jurisdiction of the Superior Court of Cobb County, Georgia for the purposes of all legal proceedings arising out of or relating to this Agreement and the Parties irrevocably waive, to the fullest extent permitted by Law, any objection which they may now or hereafter have to the venue of any such proceeding which is brought in such a court.

12.7 Obligation to Defend Validity of Agreement. If litigation is filed by a third party against one or more Parties to this Agreement, the Party or Parties who are named as parties in such action will take all reasonable steps to support and defend the validity of this Agreement and the Definitive Documents. Any Party may intervene in any such matter in which a Party has been named as a defendant. Each Party will be responsible for their own legal fees and related costs in connection with any such litigation.

12.8 Severability. If any provision of this Agreement or the application thereof to any person or circumstance shall to any extent be invalid or unenforceable, the remainder of this Agreement, or the application of such provision to persons or circumstances other than those to which it is invalid or unenforceable, shall not be affected thereby, and shall be valid and enforceable to the fullest extent permitted by Law, but only if and to the extent such enforcement would not materially and adversely frustrate the Parties' essential objectives as expressed herein.

12.9 Diligent Performance. With respect to any duty or obligation imposed on a Party by this Agreement, unless a time limit is specified for the performance of such duty or obligation, it shall be the duty or obligation of such Party to commence and perform the same in a diligent and workmanlike manner and to complete the performance of such duty or obligation as soon as reasonably practicable after commencement of performance.

12.10 Time of the Essence. In all matters concerning or affecting this Agreement, time is of the essence.

12.11 Entirety of Agreement. This Agreement embodies the entire agreement and understanding of the Parties with respect to the subject matter hereof, and supersedes all prior agreements, correspondence, arrangements and understandings relating to the subject matter of this Agreement. No representation, promise, inducement or statement of intention has been made by any Party which has not been embodied in this Agreement, and no Party shall be bound by or liable for any alleged representation, promise, inducement or statement of intention not so

set forth. This Agreement may be amended or modified only by a written instrument signed by the Parties.

12.12 Successors and Assigns. Subject to the limitations on assignability set forth herein, this Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns.

12.13 Captions. The captions in this Agreement are included for purposes of convenience only and shall not be considered a part of this Agreement or used in construing or interpreting any provision hereof.

12.14 No Waiver. No waiver of any condition or covenant of this Agreement to be satisfied or performed by a Party shall be deemed to imply or constitute a further waiver of the same, or any like condition or covenant, and nothing contained in this Agreement nor any act of a Party, except a written waiver signed by such Party, shall be construed to be a waiver of any condition or covenant to be performed by another Party.

12.15 Construction. No provisions of this Agreement shall be construed against a Party by reason of such Party having drafted such provisions.

12.16 Multiple Counterparts. This Agreement may be executed in multiple counterparts, each of which shall constitute an original document.

12.17 Third Party Beneficiaries. There are no third party beneficiaries, express or implied, of this Agreement.

12.18 Rights and Obligations. The rights and obligations of the Parties under this Agreement shall be binding upon and inure to the benefit of the Parties and their respective heirs, executors, legal representatives, successors, and assigns, and shall remain in effect for the duration of the Term, unless earlier terminated by the Parties. To this end all representations, warranties, covenants, indemnities, agreements, and obligations of the parties to this indenture shall survive the transfer of the Stadium Site or any portion thereof except as otherwise indicated herein or specifically agreed to in writing by both parties. None of the representations, warranties, covenants, indemnities, agreements or obligations in this agreement or in any of the agreements between the parties hereto as to the Stadium Project shall merge with the transfer of title to the Stadium Site or any portion thereof.

12.19 Further Assurances and Corrective Instruments. The Parties each agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements and amendments hereto and such further instruments as may be reasonably required for carrying out the intentions of the Parties or facilitating the performance of this Agreement provided that the rights of the Braves Parties to construct the Stadium Project are not impaired thereby.

12.20 Good Faith. In exercising its rights and fulfilling its obligations under this Agreement, each of the Parties agrees to act in good faith. Each Party acknowledges that in each instance under this Agreement where a Party is obligated to exercise good faith or to use good faith, diligent or other similar efforts, such Party shall not be required to, unless there is a

specific obligation hereunder to do so, expend any funds, or grant any other consideration of any kind, in the performance of such undertaking. Each Party further acknowledges that the obligation of any Party to act in good faith, undertake good faith, act diligently or undertake other similar efforts does not constitute a warranty, representation or other guaranty that the result that the Parties are attempting to achieve shall be successfully achieved and no Party shall be liable for any failure to achieve the result or results intended so long as the Party has complied with its obligation to act in good faith, unless the achievement of the result or results intended are specifically required hereunder.

12.21 E-Verification. The Braves Parties each acknowledge and agree that they are aware of O.C.G.A. §13-10-91 and related statutes regarding the e-verification of employment of all newly hired employees to confirm that such employees are legally entitled to work in the United States and that each of the Braves Parties will, if and when applicable, fully comply with any applicable statutory requirements regarding verification of employment and impose a similar requirement in any appropriate contract to which any Braves Party may be a party. Any current forms, notices, disclosures or affidavits required by the County in connection with such verification shall be attached as an exhibit to the CA Agreement and the Stadium Construction Management Agreement. The County shall provide the Braves Parties with revised versions of any such forms, notices, disclosures or affidavits promptly following their issuance.

12.22 Nondiscrimination. In accordance with Title VI of the Civil Rights Act, as amended, 42 U.S.C. §200d, section 303 of the Age Discrimination Act of 1975, as amended, 42 U.S.C. §6102, section 202 of the Americans with Disabilities Act of 1990, 42 U.S.C. §12132, and all other provisions of Federal law, the Braves Parties agree that, during the performance of this Agreement, the Braves Parties, for themselves, their respective assignees and successors in interest, will not discriminate against any employee or applicant for employment, any subcontractor, or any supplier because of race, color, creed, national origin, gender, age or disability. In addition, the Braves Parties agree to comply with all applicable implementing regulations and shall include the provisions of this Section 12.22 in every subcontract for services contemplated under this Agreement.

12.23 No Personal Liability. Nothing herein shall be construed as creating any individual or personal liability on the part of any of County's elected or appointed officials, officers, boards, commissions, employees, representatives, consultants, servants, agents, attorneys and volunteers or on the part of any of the Braves Parties' board members, officers, or employees.

12.24 Limited, Non-Recourse Obligation of the Authority. Notwithstanding any other provision of this Agreement to the contrary, the Authority shall incur no pecuniary liability under this Agreement, and no recourse shall be had against, and the Authority shall in no way be obligated to expend, any funds of the Authority other than those funds made available to it by the County and the Braves Parties pursuant to the provisions of the Definitive Documents, in performance of its obligations hereunder. Without limiting the generality of the foregoing, no recourse shall be had by any party hereto against the Authority's revenues and assets (other than the Stadium Project) and the amounts received by the Authority from any other source whatsoever, including without limitation amounts received from the County pursuant to other

intergovernmental agreements not relating to the Stadium Project (whether or not specifically pledged or allocated to secure the Bonds).
