

**ADVERTISEMENT FOR REQUEST FOR PROPOSALS**

**NOONDAY CREEK WATER RECLAMATION FACILITY CHEMICAL SYSTEMS UPGRADE**

**PROGRAM NO. T1023**

for

**COBB COUNTY, GEORGIA**

Proposals for the design of the aforementioned project will be received by the **COBB COUNTY**, a political subdivision of the State of Georgia, herein referred to as "**Owner**", at the offices of the **Purchasing Department, 122 Waddell Street NE, Marietta, GA 30060**, until **12:00 Noon** (local time) on **October 27, 2016**. The program name and program number must be shown on the outside of the bid envelope. **No proposals will be accepted after the 12:00 Noon deadline.**

Proposals will be opened at 2:00 PM (local time) on **October 27, 2016**, in the **Purchasing Department, 122 Waddell Street NE, Marietta, GA 30060**.

The Project consists of professional services related to the design of upgrades to the chemical storage and feed system at the Noonday Creek Water Reclamation Facility (WRF) in north Cobb County. This project involves improvements and upgrades to the existing Iron Salts and Sodium Hypochlorite systems.

The proposal package is available for pick-up at the offices of **Cobb County Water System, Engineering and Records Division, 660 South Cobb Drive, Marietta, Georgia 30060**, or can be distributed via email or postal delivery. Contact **Rita Neely, 770-419-6348** or by email ([Rita.Neely@CobbCounty.org](mailto:Rita.Neely@CobbCounty.org)) to request a copy of the proposal or for further information. All requests should indicate the name of the firm and contact person, along with street address, telephone numbers and email address.

Each proposal will consist of a narrative proposal and a cost proposal. It is anticipated that a contract for the described services will be entered into the firm that, in the opinion of Cobb County, offers the most favorable combination of qualifications, approach, and pricing.

Owner reserves the right to waive any informality or to reject any or all proposals, to evaluate proposals, and to accept any proposals which in its opinion may be for the best interest of Owner. Owner has the right to add to and delete from the agreement once it has been awarded.

The successful engineering firm for this agreement will be required to furnish satisfactory certificates of insurance for general liability, automobile liability, professional liability, and worker's compensation and employers' liability coverage.
