Cobb County Austell Road Access Management Study

The Cobb County Department of Transportation invites the public to participate in the second meeting to discuss potential solutions to the access management issues along the Austell Road corridor. We want your input on opportunities and constraints in the area.

Thursday, April 16th, 2009

5:30 p.m.*

South Cobb County Government Service Center

4700 Austell Road

Austell, GA 30106-2004

- Access management methods are designed to improve operational efficiency of roadways without adding lane capacity.
- The study also has potential benefits for pedestrians, bicyclists and transit users.

*** There will be a presentation at 5:45 p.m.**
