Employee Violation

Part 1 – Violation

The following employee is hereby charged with violation(s) of the policy/procedure(s) listed below:

System ID Number: 893	Name of Employee: Lawson, M.T.	Badge #: 2259
Policy/Procedure Number: 1.25	Policy/Procedure Title: Courtesy	

Details of Offense:

Mr. Baker left a telephone message for me at 1330 hours on November 16 concerning OFC Lawson's conduct during a traffic stop. I contacted him at approximately 2045 hours on the same date by phone. He stated that he had been stopped in a motor vehicle by OFC Lawson and two unnamed officers (who I determined were FTO Grizanti and RCT Knight). Mr. Baker's complaint was that OFC Lawson used the phrase "go to Fulton County to your people." He also expressed concern that OFC Lawson was hostile and that he felt intimidated. He made no complaint about FTO Grizanti or RCT Knight.

At approximately 0200 hrs., on November 16, 2015, OFC Lawson initiated a traffic stop of a vehicle being operated by Mr. Brian Baker. In-car video captures the paced speed of the vehicle (65 MPH/45 MPH zone), and that the vehicle failed to maintain lane multiple times. He activated his blue lights and the vehicle abruptly yielded at Mableton Pkwy near Doyle Dr. I then began a review of the incident. The entirety of the stop is captured on video.

OFC Lawson exited his patrol car and made contact with the driver, Mr. Brian Baker. OFC Lawson informed Mr. Baker of the reason for the stop. At contact Mr. Baker states that he is "sober" and immediately challenges OFC Lawson's explanation by stating "I didn't do nothin' wrong man" for the stop. OFC Lawson again states the reason for the stop in a raised voice. Mr. Baker makes a comment to OFC Lawson that OFC Lawson is agitated. OFC Lawson informs him that they are being video recorded. Mr. Baker hands OFC Lawson his license. OFC Lawson states "Thank you, Sir."

OFC Lawson then asks if Mr. Baker is the registered owner of the vehicle, and Mr. Baker informs him that he is. OFC Lawson then asks where he is coming from. Mr. Baker states something unintelligible and then informs OFC Lawson that it is none of his business. OFC Lawson then asks Mr. Baker where he is going to and Mr. Baker informs him again that it is none of his business. OFC Lawson then asks Mr. Baker what his address is. Mr. Baker states words to the effect that it is the one on the ID (license). This question is asked several more times, and Mr. Baker's response is the same.

OFC Lawson then asks for an insurance card for the vehicle. Mr. Baker then states that OFC Lawson is giving him "a hard time." OFC Lawson states "Sir, I am just trying to conduct my investigation." OFC Lawson again asks for an insurance card and Mr. Baker tells him that he does not have one. OFC Lawson then states that "you'll take the ticket" and returns to his car.

As he is working inside his car, FTO Grizanti and RCT Knight arrive at the stop. FTO Grizanti asks OFC Lawson if there is "anything interesting?" OFC Lawson responds with "Yea, do you want a 36?" OFC Lawson then explains to FTO Grizanti the nature of the initial contact, and expresses his frustration by use of profane language (not in public but inside of the patrol car). FTO Grizanti and OFC Lawson discuss the stop further and OFC Lawson explains that the registration does not match the address on the license. FTO Grizanti then offers to contact Mr. Baker to clarify this discrepancy and determine the correct address.

FTO Grizanti then ensures that his bodycam is operating and approaches the vehicle. He makes contact with Mr. Baker. He engages Mr. Baker in conversation about the stop. During this conversation, Mr. Baker repeatedly talks over FTO Grizanti. Mr. Baker makes

reference to wanting to get his ticket and to go. FTO Grizanti informs him that they are trying to do that, and begins to address the issue of a different address on the vehicle registration and the license. FTO Grizanti calls Mr. Baker's attention to the date on the registration which is more recent, than the date on the license. FTO Grizanti explains that they want to make sure that they have the right address for the court system. Mr. Baker then states his current address (111 Bagby Ct). FTO Grizanti asks if he lives at one address and has the vehicle registered at another address. Mr. Baker states that he lives at "about three different addresses." To this, FTO Grizanti states simply "OK." Mr. Baker then asks him if there is anything else. FTO Grizanti politely states "it's a pretty nice car." To this comment Mr. Baker responds "Yea, Gestapo." FTO Grizanti asks "What's that?" Mr. Baker states "Gestapo, are you the Gestapo?" FTO Grizanti clarifies the question "are you the Gestapo?" Mr. Baker then states "you asked the question, and you are still going on are you the Gestapo?" FTO Grizanti then asks "what is your problem, do you not like the police?" To this, Mr. Baker states, "no, I don't like you." FTO Grizanti states "you don't like me? I have been nothing but nice to you." Mr. Baker responds with "I appreciate it community policing that is what you are doing." At about this time, Mr. Baker retrieves his Smartphone, and it appears that it is video recording. In a calmer voice Mr. Baker states that "Dude, your antagonizing behavior is unprofessional." He then stated that he had answered the question, and what else did he want? FTO Grizanti stated that he had not asked anymore questions, and that it was Mr. Baker who told him he was impolite. Mr. Baker then begins to roll up his window and FTO Grizanti stated that he is going to get him on his way and returns to the patrol car.

Once at OFC Lawson's patrol car, FTO Grizanti briefs him on his discussion with Mr. Baker and that he had confirmed his address. FTO Grizanti informs OFC Lawson that he had called him "Gestapo." OFC Lawson discusses the term and FTO Grizanti states that it is a NAZI. OFC Lawson then stated the NAZI police. FTO Grizanti then asks how many citations are being issued, and OFC Lawson states "two."

OFC Lawson then re-approaches the vehicle and states to Mr. Baker that he is giving him two tickets, one for Speeding and one for Failure to Maintain Lane. While he was issuing the tickets OFC Lawson asked him to sign the tickets "if you don't mind." Apparently, this was confusing to Mr. Baker as it seems that he thought OFC Lawson said "Bond." OFC Lawson repeated himself for Mr. Baker, and politely stated "if you don't mind" which Mr. Baker now understood. Mr. Baker then signed the ticket, and told OFC Lawson that he needed to "wash his hands." Mr. Baker then stated "can I go?" OFC Lawson then responded "Can you go?" Mr. Baker then stated again "can I go?" OFC Lawson responded with "I am asking you, can I go?" Mr. Baker stated "I don't know." OFC Lawson then said "please go away to Fulton County I don't care about you people." Mr. Baker then referenced my people, to which OFC Lawson responded "go to Fulton County cuz, go" and he snapped his fingers. Mr. Baker then stated "...you don't care about my people? That is what you said." This conversation is rapid, and intermixed in the conversation is that OFC Lawson stated "go to Fulton County" and words to the effect of "...I did not say your people...I said you people and go to Fulton County (please refer to video for specific interaction). To this (after OFC Lawson responded that had said "your people") Mr. Baker stated "that is not what you said, you said that you don't care about your people...that is mean."

OFC Lawson then asks Mr. Baker to step out. OFC Lawson later stated that he saw that he was being recorded on Mr. Baker's Smartphone. Mr. Baker responded that OFC Lawson wanted him to step to fight the police. OFC Lawson responded that he wanted Mr. Baker to "step out and talk to me." Mr. Baker wanted to know what there was to talk about. OFC Lawson stated "I am asking you sir, if you want to get out and talk to me." Mr. Baker then continues to talk, and states "you said you don't care about your people." OFC Lawson responds again "yea, and go back to Fulton County, sir." Mr. Baker says something unintelligible, and OFC Lawson tells him that he "is free to leave from this traffic stop." Mr. Baker states "I know" but does not leave. OFC Lawson states "go please." Mr. Baker makes some reference to OFC Lawson's position next to the car, and OFC Lawson indicates that there is enough room for him to leave. A few moments later, Mr. Baker leaves the traffic stop.

Based upon my review I believe that OFC Lawson violated Code of Conduct Rule 1.25 (Courtesy). During the above traffic stop, OFC Lawson failed to be tactful in the performance of his duties. OFC Lawson's repetitive statements "of can I go;" "go to Fulton County;" and "your people" or "you people" and to "step out" were ill advised, improper and discourteous. OFC Lawson failed to control his temper when Mr. Baker demonstrated a belligerent attitude.

Cobb County Police Department

Employee Violation

Part 2 – Employee Response

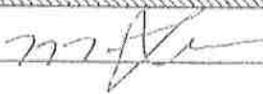

The following is my response to the charges against me for the violation(s) of policies and/or procedures of the department:

First, I accept accountability for my actions and statements during the traffic stop of Mr. Baker. I realize I said the wrong things, and I allowed him to make me upset. I realize this was wrong for me to do. There was no intent by me to make race an issue.

Second, I apologize for my conduct. I am proud to work for the Cobb County Police Department.

Last, I will work hard to not repeat my mistakes and to improve myself in the future.

Recruit Lawson was dispatched to an alarm activation located off of Community Road where the home owner requested for police to check the residence. Upon our arrival Recruit Lawson and I checked the exterior of the residence. Recruit Lawson made contact with the homeowners and was very professional. We then checked the interior basement of the residence. Recruit Lawson did not find any signs of forced entry or damage to the residence. Recruit Lawson stood by with the home owner until they could figure out how to reset their alarm putting them at ease.

Observations and Commentary:

2 – Driving Skills: Stress, 3 – Orientation, 6 – Officer Safety

Recruit Lawson observed an equipment violation while patrolling the area of Veterans Memorial Highway. Recruit Lawson caught up to the vehicle which was traveling eastbound towards Atlanta on Veterans Memorial Highway. As we passed by River View Road (the last road in Cobb County before entering Fulton County), Recruit Lawson asked me what the next cross road will be. I informed him that he could use Veterans Memorial Highway at the River because it was a county line that everyone is familiar with. As the vehicle came to a stop, Recruit Lawson failed to use his spot light to illuminate the passenger compartment of the violator's vehicle for his safety. Throughout the remainder of the shift Recruit Lawson used his spot light to illuminate vehicles during traffic stops.

9 – Radio: Listen/Comprehend

We were assigned unit 2113 for the shift. Unit 2313 (evening shift) advised he was out at the Racetrac on Veterans Memorial Highway at Oakdale Road assisting Smyrna PD with a disorderly subject. As other units informed Dispatch that they were in route to assist, Recruit Lawson thought 2313 was at the Racetrac on Floyd Road at Clay Road and began to respond to that gas station. I had to quickly inform Recruit Lawson that he was going the wrong direction. Recruit Lawson was then able to respond quickly and safely to the correct location.

After assisting Smyrna with the disorderly subject, Dispatched sent units 2115 and 2351 to a business alarm activation on Veterans Memorial Highway in 213 beat. Dispatch also advised that there was a business alarm holding on Mableton Parkway in 214 beat. I informed Dispatch that we would respond to the alarm on Mableton Parkway. Recruit Lawson misunderstood the radio traffic and thought we were responding to the alarm activation on Veterans Memorial Highway. I informed him that we were going to the alarm on Mableton Parkway and showed him the dispatch. Recruit Lawson was able to respond with little assistance after he located the business on a map.

Observations and Commentary:4-Field Performance Stress

During a traffic stop the violator was very belligerent and expressed his displeasure in being stopped by the police. Even though the violator was demeaning to the officers, Recruit Lawson maintained his composure and took care of the violation at hand.

5-Self Initiated Activity

Despite the frigid temperatures, Recruit Lawson handled the calls in his beat and remained proactive throughout the shift by continuing to enforce traffic violations. Recruit Lawson stopped seven vehicles and issued six citations.

29-Attitude/Other Department Members

During our shift we assisted officers in zone 3 with a suspected person shot call. Recruit Lawson responded professionally and safely to the call. We experienced how other precincts handle critical incidents and we discussed the nuances between how they are handled in zone 2 and other precincts. Recruit Lawson worked as a team player and adapted well to the different style of handling the call.

Category# 27

Observations and Commentary:27 - Attitude/Citizens in General

Following a traffic stop Recruit Lawson forgot to give the violator his driver's license back. The violator realized this and stepped out of the vehicle to ask for it. Recruit Lawson and I discussed this and the problems that it can present as well as ways to get the driver his license back in the event that we learn later that we have forgotten.

Observations and Commentary:4-Field Performance Stress

During a homicide investigation in extreme weather conditions, Recruit Lawson performed in a very competent manner. He required little assistance and supervision with the tasks he was to perform. Although initially the scene was chaotic, Recruit Lawson maintained his composure and did not exhibit any stress that can occur during these incidents.

14-Investigative Skills

During the homicide investigation Recruit Lawson completed the tasks that were assigned to him as the lead reporting officer with minimal guidance and supervision. Of the witnesses he interviewed, he asked appropriate questions and documented that information accurately in his notes which allowed him to communicate that information to the responding Detectives. As follow-up to the call we also discussed certain procedures that he had not seen before as well as when to issue a Miranda Warning.

29-Attitude/Other Department Members

During our shift we responded to a person shot call where a crime scene was established. Recruit Lawson worked as a team player with the other officers that were on scene. Recruit Lawson also assisted the Crime Scene Technician with her duties. This allowed him to learn about their function in the investigation of a crime. As well, she appreciated his willingness to assist which made her job easier and allowed us to clear the crime scene earlier. Recruit Lawson also assisted the Crimes Against Person's unit by obtaining witness information and transporting one of the witnesses to their office for an interview. Recruit Lawson continues to contribute as a team player which reflects highly upon him and our shift when we work with other units and precincts.

Category In Need Of Continuing Focus

Category# 2

Observations and Commentary:2 - Driving Skills Stress

During our response to the person shot call I reminded Recruit Lawson one time about watching his speed. Initially Recruit Lawson's speed was fast for the conditions at hand. After a gentle reminder, there was no other need to mention it, and Recruit Lawson completed his response to the call at an appropriate speed. Following the call we discussed the need to watch our speed and adhere to the Precinct Commander's directives regarding speed. Otherwise, Recruit Lawson handled his patrol vehicle safely and efficiently.

Observations and Commentary:1-Driving Skills Normal; 5-Self Initiated Activity

During our shift Recruit Lawson continued to operate the patrol vehicle in a safe manner and operating within the guidelines of the Precinct Commander. During a traffic stop on a vehicle coming from a residence that is known for suspicious activity, Recruit Lawson's investigation discovered a subject that was wanted on a Felony Probation Violation. Recruit Lawson was able to take the suspect into custody without incident. This proactive stance removed a potentially dangerous felon from the streets and demonstrates Recruit Lawson's diligence and dedication.

26-Attitude Toward Police Work

Recruit Lawson continues to exhibit a great attitude toward police work and toward the department. His excitement and enthusiasm show in his daily work and his self initiated activity. This reflects highly upon Recruit Lawson and demonstrates his work ethic and desire to exceed at his job.

29-Attitude/Other Dept Members

During our shift Recruit Lawson had the opportunity to work with other officers on the shift. Recruit Lawson picked up a call for one of the officers who had picked up one of his calls. When Recruit Lawson was the back-up officer on the call he was helpful with the investigation while maintaining officer safety.

Category In Need Of Continuing Focus

Category#23

Observations and Commentary:23-Traffic Code

Recruit Lawson should continue to broaden his knowledge of the traffic code sections and how best to apply them to the given situations. Doing so will allow Recruit Lawson to establish probable cause to initiate traffic stops on vehicles and conduct further investigations. We discussed some of the code sections that might not be as common but still provide valid probable cause which can be used to make citizen contact.

Recruit Lawson was dispatched to a medical call in the Wal-Mart parking lot located on Austell Road at Milford Church Road. Recruit Lawson located the vehicle described by Dispatch and observed the driver slumped over the center console. Recruit Lawson made contact with the driver and noticed an odor of alcoholic beverage emitting from the driver's person. Recruit Lawson had the driver step out of the vehicle and began his DUI investigation. Recruit Lawson arrested the driver for DUI and transported him to Cobb County Adult Detention Center. Recruit Lawson needed no assistance completing the book-in process or documenting the incident.

Observations and Commentary:

13 – Field Performance: Non-stress

While Recruit Lawson was attempting to place his impaired driver in handcuffs, he removed his handcuffs from his pouch and realized they were in backwards. Recruit Lawson was able to maintain control of the subject while he flipped the cuffs around in one hand. Recruit Lawson was still able to secure the subject in handcuffs with no incident. Recruit Lawson stowed his handcuffs properly when he got them back from the deputy at the jail.

MEMORANDUM

To: File: Officer M.T. Lawson
From: SGT R.B. Latham
Thru: LT D.L. Ballard
REF: Performance Counseling; Officer M.T. Lawson
Date: 06/20/2015

On 06/13/2015, Officer Lawson was assisting in the investigation of an aggravated assault. During the investigation a subject was detained for an outstanding warrant. A 16 yoa male loitered near the rear of the patrol car and refused to move when verbally directed to do so by Officer Lawson.

Officer Lawson and Officer Rose went to the subject and escorted him away from the patrol car. What ensued was a verbal exchange between the subject and Officer Lawson. Officer Lawson is a former United States Marine. Officer Lawson was attempting to explain that if he did as he was asked, he would not have a Cobb County Police Officer near him, and he used the phrase "with my nose in your ear." Officer Lawson was referencing how a Marine Corps Drill Sergeant would act in trying to make his point clear. Unfortunately unless someone has been in the Marine Corps or affiliated with the Marine Corps, understanding that comment would be difficult and could be misunderstood. It was not the wisest comment to be made to a 16 yoa juvenile male.

The Juvenile's mother, Ms. Blackmore, was told by the juvenile that the officer made a comment about putting his "tongue in his ear." This caused her to contact LT. Ballard with a performance concern for Officer Lawson. LT Ballard and SGT Marchetta reviewed the video and were able to determine that the phrase was "nose in your ear." Also noted during the video review was that Officer Lawson's demeanor was abrasive towards the juvenile.

SGT Marchetta sent an e-mail to Ms. Blackmore clarifying Officer Lawson's actions. She is satisfied with the clarification (attached).

On 06/20/2015, I met with Officer Lawson. During our conversation I expressed how important it is as an Officer that we let things "role off our back". I explained to Officer Lawson that in many situations a subject or suspect will bait you into a confrontation just to upset you causing you to lose your composure. I also explained that he could have handled the situation a little better. Officer Lawson is clear that Police Officers have to be the "better person" in most every negative encounter.

Officer Lawson told me that he fully understood and agreed that he could have handled the incident with better tact. Officer Lawson expressed his regret for the incident being blow out of proportion by his lack of patience. I was pleased with Officer Lawson's reaction to our counseling session. Officer Lawson was very receptive to everything that was said, and left the meeting with a good attitude, and even took two signal 30's to jail the same night. I think that Officer Lawson has a bright future if he continues to remain humble when given advise and learns from his and other's mistakes.

Ms. Blackmore,

I am sending you this e-mail based upon our telephone discussion earlier this evening.

As discussed on the telephone, my full name is Andrew Marchetta, Badge 0549. I am a Sergeant assigned to Cobb Police Precinct 2, and Lieutenant Damon Ballard is my immediate superior officer.

Lieutenant Ballard met with me yesterday and discussed your concerns. Your concerns were the manner in which your son was treated, and specifically that the phrase "put my tongue in your ear" was said by an officer.

He and I reviewed videos of the contact between the Cobb County Police and your son. Captured on the video is your son being repeatedly directed to move away from a police car that had a subject who was arrested in the rear of the patrol car. As a note, the subject was arrested for an outstanding warrant (he was a "wanted" subject) not for any criminal acts committed during the call. Cobb County Police Department policy requires that officers keep the public away from a police car when someone has been arrested and is being held in the police car. Due to your son not moving away from the police car, OFC Lawson and Officer Rose walked to your son and escorted him away from the police car. This is what caused the contact between your son and Officer Lawson.

This is not an unreasonable request to be made by an officer. What ensued was a conversation between your son and Officer Lawson about your son not doing what was asked of him. As I mentioned to you Officer Lawson is a former United States Marine. Officer Lawson was attempting to explain to your son that if he did as he was asked, he would not have a Cobb County Police Officer near him, and he used the phrase "with my nose in your ear." Again as discussed with you, Officer Lawson was referencing how a Marine Corps Drill Sergeant would act in trying to make his point clear.

Unfortunately unless someone has been in the Marine Corps or affiliated with the Marine Corps, understanding that comment would be difficult and could be misunderstood. It was not the wisest comment to be made to your son.

Furthermore, I observed that Officer Lawson's demeanor with your son could have been better. We are both parents, and I want to say that he should have been more "paternal" in his behavior. That word is inappropriate because though Officer Lawson was in the Marine Corps for a number of years before he was hired by us, he is still a young man. Perhaps a better way of saying what his actions should have been is the word "guiding."

Personnel matters involving employees of the Cobb County Government are confidential. I can disclose that LT Ballard has directed that Officer Lawson receive "one on one" remedial training for his performance with your son. That training will be conducted by me, and/or my co-sergeants, Sergeant Sabens and Sergeant Latham. It is our intent to improve his performance so that situations such as that encountered by your son will not be repeated in the future.

I appreciate you bringing your concerns to our attention. I hope that my discussion with you, this email, and the corrective action that we are taking, demonstrates our commitment to providing good law enforcement services to the community. If you have any further questions or concerns, please do not hesitate to contact me. Due to the hours that I work, the best way to contact me is by e-mail. However, I do have a phone (770-499-4456) and you can call that number if you prefer. If you have any specific concerns about my actions, you may address those concerns directly to Lieutenant Ballard.

Thank You,

Andrew Marchetta

[REDACTED]
Union City, Georgia 30132

Mr. Baker,

Thank you for bringing our attention to an incident that occurred on November 16, 2015 involving Officer Lawson, an employee of the Cobb County Police Department.

We make every effort to provide the best possible public service, and are continually striving to assure that all of our employees conduct themselves in a professional manner.

It is the policy of the Cobb County Police Department to investigate all complaints received about the conduct of our employees. When an investigation establishes that an employee's conduct was improper, corrective action is taken.

Sergeant Marchetta was assigned to investigate the incident you reported. He has thoroughly investigated your concerns and concluded that Officer Lawson violated our department's Code of Conduct during his interaction with you. The Cobb County Police Department does not now nor has ever condoned the behavior demonstrated by Officer Lawson during his interaction with you. Misconduct as demonstrated by Officer Lawson is a very serious violation of our Code of Conduct and not considered lightly. The Cobb County Police Department has a long and proud history of holding each officer to a very high standard of professional conduct. Officer Lawson's conduct as he spoke with you does not meet our high standards, has brought discredit to the department and himself, and is not now nor will ever be tolerated.

I want to take this opportunity to personally apologize to you for the conduct that you experienced and want you to know that we have taken the extraordinary step of using formal discipline, enhanced training, and reassignment in an effort to prevent similar incidents.

Sincerely,

Captain J.D. Adcock

Subject: Officer Lawson's Videos

Deborah, per our conversation this afternoon, it appears from a quick search of our video system that Officer Lawson may have 1741 videos in the system. The first 1000 videos consist of approximately 113 GB of data.

I have never completed this type of search before within the video system so I have asked Larry Jarman (IS) to verify the numbers.

Eddie,

I spoke with Larry Jarman. He completed the verification process for D C Cox and concluded...

Totals for Officer M. Lawson (#2259).

- 1: Total number of videos: 1,853
- 2: Total GB: 227

So there are actually more than anticipated.

Thanks

On 9/30/2015 at approximately 0311 hours, Zone 2 was responding to a suspicious activity call on Brookside Dr. I responded as backup to the scene. As Officer Hines and I arrived on Roberts Dr and Brookside Dr, someone flagged us down and said the perpetrator just ran into the woods as we came down the street. He said it was a black male in a red hat. Later the description was updated as a black male wearing black and white pants and a red hat. I held perimeter while a K9 attempted to track the suspect.

Then, Officer Hines, Finks, and I walked Colt Ridge Trail. There were footprints in the dew of the entire neighborhood going from car to car. Several of the cars had been entered. The glove box and center consoles had been opened and rifled through.

Once the perimeter for the K9 track broke down, I returned to Zone 3. I again responded to Roberts Dr at Oakdale Rd as backup for Zone 2. FTO PR Pritchett and I arrived at approximately 0505 hours. We met with Sgt. Marchetta who advised us to hold a strong point at the front of the subdivision. We told those exiting the subdivision what was going on and asked if we could check their cars.

Then, I observed a black male walking up Roberts Dr towards Oakdale Rd. He was wearing black pants with white stripes and a red hat. I signaled FTO Pritchett and made contact with the male. I frisked him for weapons and found none. His pants were soaking wet. I had him take a seat and cross his legs. I asked him to write down his name and date of birth on my notepad. He wrote the name, Omar Little, and a phone number, 678-██████████, on my note pad. He'd not written down a birthday. I asked him for his birthday. He gave me a birthday of 12/27/1996. I asked him why his pants were wet. He became agitated. He said it didn't matter why his pants were wet. Then, Sgt. Marchetta walked up, placed the male in handcuffs, and placed him into the back of a patrol car.

On 09302015 at approximately 0505 I arrived to the area of Roberts Drive and Oakdale Road to assist PCT2 in the search for two suspects involved in several thefts from vehicles. Upon arrival I met with Sgt. Marchetta. Sgt. Marchetta advised Officer BR Jackson and I to hold a strong point at the above listed intersection and check all exiting vehicles for the possible suspects. Officer Jackson and I positioned our patrol vehicles, with blue lights activated, to slow the entering and exiting of vehicles into the neighborhood.

While on Roberts Drive I met with several individuals who were leaving the neighborhood. As each vehicle approached our patrol vehicles we advised each driver of the situation and that we were looking for possibly two suspects that had entered vehicles in the neighborhood. As we made contact with each vehicle, we made plain view searches from the outside of the vehicles, and asked consent to check the trunks and cargo areas of vehicles.

As we were checking vehicles on Roberts Drive a young black male, wearing black pants with whites stripes and a red baseball style hat began to walk up the sidewalk on Roberts Drive toward Oakdale Road. As the male approached Officer Jackson and I realized the male matched the description, of the entering auto suspect, provided of a black male wearing black and white striped pants and a red hat. Officer Jackson made initial contact with the male and I then approached. The male was then asked to have a seat on the sidewalk and to cross his legs. The males pants were saturated with water and his shoes appeared to have grass and other vegetation on them. Officer Jackson later identified the male as Omar Little. A moment later Sgt. Marchetta advised he believed the male to be one of the outstanding suspects. Sgt. Marchetta instantly placed the male into handcuffs. A short time later FTO Hill arrived and transported Little to a PCT2 patrol vehicle.

I remained on Roberts Drive until approximately 0815 when a day shift officer relieved me.

On September 30, 2015 at approximately 0311 hours, I responded to 5861 Brookside Drive in reference to a group of suspicious males lifting door handles in the neighborhood. While en-route Cobb County Dispatch confirmed that the males were entering the vehicles. As I arrived, I spoke with two separate residents (who were out near their vehicles) who advised that they saw the group of males running south on Brookside Drive. As I continued, I saw three black males at the intersection of North Brookside Drive and Brookside Trail. The males began running at the sight of me, and I advised dispatch of their actions.

I activated my blue lights and "chirped" my siren one time. As I exited my vehicle, I began chasing one of the individuals to the left of 5998 Brookside Trail. Almost immediately into the backyard, a heavily vegetated wood line begins. As I was actively chasing, I yelled Cobb County Police at least one time, to further my recognition as a police officer. While running, I could hear the individual stirring and "crashing" through the woods. As I approached Nickajack Creek the "crashing" stopped. Once I reached the creek embankment, I observed the male who I was chasing in the creek bed, with water rushing over him.

As I was approximately 20 feet above on the ridge, I held the male at gunpoint until my back up, Officer(s) Bridges and Jones arrived. Once they arrived, Officer Bridges maintained lethal cover of the male, as I made my way down the embankment to take the male into custody. Once I reached him, I became overwhelmed with the odor of green marijuana. I thought this was odd due to the fact that we were literally knee in a running creek. Once I placed the male into handcuffs, Officer Jones was able to assist with lifting the male onto the ridge for further investigation.

Directly after I handed the male over, and while still in the creek bed, I noticed a small clear plastic bag containing a green leafy substance, which I immediately recognized to be marijuana. I grabbed the bag, along with a few miscellaneous items that fell from the male's pockets (including a GPS mount), and made our way back to my patrol vehicle.

Officer Bridges was able to conduct a search of the male. His pockets were filled with items such as a woman's necklace, multiple watches, a GPS with mount, low denominations of currency (mostly change), at least two other person's credit cards, etc. All of these things were consistent with what most people leave inside their vehicles.

The male was identified as Daiquan Camp. As other officers remained in the area we were able to speak with Daiquan who advised what type of vehicle his group was driving, which led to later apprehension of a second and third suspect. Given the circumstances, I transported Daiquan to Precinct Two for further investigation. I turned over all of the property to the investigators.

Afterwards, I transported Daiquan to the Cobb County Adult Detention Center for further processing.

Nothing further.

On Wednesday September 30, 2015 at 0311 complainant Carol Griffiths called Cobb 911 to report that he observed at least two black males running from residence to residence in the neighborhood of Roberts Drive looking into and opening parked motor vehicles. There has been a high volumn of entering autos in the area. I responded, along with multiple Officers, to the area.

Myself and other Precinct II Officers saturated the area within a couple of minutes. Shortly thereafter Officer Lawson engaged in a foot pursuit with three black male suspects. He took one suspect into custody. Within a few minutes Officer Lawson radioed that his detainee reported that he and the others had been traveling in a black Saab driven by a person he knew by the name of M. Other Officers reported that a male named Malcolm Clarence drove a black Saab and lived off of Queens Mill which is a few miles away from the incident location.

By direction of Sergeant Marchetta the neighborhood was sealed so that vehicles could not leave the area undetected. The only exit point was onto Oakdale Road. Myself and a Smyrna Police unit began sweeping the neighborhood looking for the Saab. The Saab was located parked along Greywood Circle in front of 5986. Along with the Smyrna Officer I made contact with the driver. I identified him as Malcolm Clarence. He does not reside in the neighborhood and was not visiting persons at 5986 Greywood Circle or anyone else in the neighborhood. I detained Mr. Clarence.

At the direction of Lieutenant Cebula of the entering auto task force I transported Malcolm Clarence to Precinct II. Lieutenant Cebula took custody of him. After a short period of time Lieutenant Cebula turned Mr. Clarence over to me. He directed me to transport him to the Cobb County Jail for the charges of Burglary. I transported Mr. Clarence to the Cobb County Jail where I turned him over to the custody of the Sheriff's Office.

I responded to a report of suspicious activity in the neighborhood of Oakdale Rd and Roberts Dr. I arrived on scene and began checking for what dispatch advised were people entering autos on Brookside Dr. I was checking N Brookside Dr when I heard Officer Lawson advise that he had 3 people run from him. I caught up with Officer Lawson at N Brookside Dr and Brookside Ln. I followed Officer Lawson into the woods and observed he had a black male at gunpoint in the bed of Nickajack Creek. The male was wearing a black jacket with "COALITION DJs" on the front and "2008" on the sleeves. I also observed what was, based on my knowledge, training, and experience, immediately apparent to be the odor of green marijuana emanating from the creek bed. I maintained visual on the male as Officers Lawson, Jones, and Robles cuffed the male and removed him from the creek bed. Also recovered was a small baggy of marijuana under the male which contained a pill as well. The male was identified as Daiquan Camp. Two watches, a GPS tom tom and mount, a pearl necklace and various loose change bags were removed from Camp's pockets via search incident to arrest of his person.

Mr Camp was read Miranda rights and advised he understood his rights and would talk to us without a lawyer. Mr Camp advised that the jacket belonged to a friend of his and that his friends Malcolm, O, and Jacob had been giving him items to put in his pocket. Mr Camp advised he was just walking with his friends and that he thought they had been flipping door handles. Mr Camp advised his friends had been handing him stuff and that all the stuff in his pockets belonged to them and that he was holding the stuff for them. Mr Camp could not advise which house they were at last before they ran from the police but could advise that Malcolm owned a black Saab.

Officer Jones was able to check RMS and identify Malcolm as Malcolm Clarence, owner of a Saab (which Officer New located in the area) and "O" as Omar Little. Mr Clarence and Mr Little were both later apprehended near the scene.

I had Henson's wrecker impound the Saab near 5966 Graywood Cir after a crime scene technician processed the vehicle for latent prints. Prints were entered into evidence at pct 2.

Mr Camp's jacket was later reported stolen from entering auto case 15-093160.

Latent Print Analysis Request
Case 15093161

Latent print evidence was submitted on PCR 229730 by Ofc McElwain / 1762. There was one lift card with three latent fingerprints of identifiable quality. I marked the fingerprints F.1-F.3.

On 10/02/15, I searched all three fingerprints in the AFIS system with no matches found. I notified Ofc McElwain by email of the results on the same day.

Nothing further. [10/08/2015 11:42, RICHE, 2567, DPS]

Warrant No. 15-W-8928
 Police Case No. 15093161

Personally came R Mcelwain who makes oath before a Magistrate of this Court that Daiquin Camp (hereinafter called the accused) AKA: did, on 9/30/2015 at 03:00 AM at 5891 Brookside Dr, Mableton in the County of Cobb, Georgia, commit the offense of CARD THEFT-OBTAIN FINANCIAL TRANSACTION(F) violating O.C.G.A, Section 16-9-31, for that said accused did take, obtain, or withhold two financial transaction cards ("FTC"): Bank of America Visa debit and Fifth Third Bank Mastercard credit card, from the person, possession, custody, or control of another: the accused did possess a Bank of America Visa debit card bearing the name of Iban Valenzuela. He further did possess a Fifth Third Bank Mastercard credit card in the name of Cynthia Phillips. The accused did not know these individuals and did not have permission to have possession of their financial transaction cards. This is in violation of 16-9-31(4)(d); on 9/30/2015 at 03:00 AM at Graywood Cir, Mableton in the County of Cobb, Georgia, commit the offense of OBSTRUCTION/HINDERING LAW ENFORCEMENT(M) violating O.C.G.A, Section 16-10-24(a), for that said accused did knowingly and willfully resist, obstruct, or oppose a law enforcement officer in the lawful discharge of the officer's official duties to wit: a witness observed multiple males breaking into her vehicle which was in her driveway. Her husband followed the males while speaking with 911. Once the males spotted her husband they began running and her husband gave chase until Officer Lawson arrived. Officer Lawson continued the chase until the accused was apprehended; on 9/30/2015 at 03:00 AM at Graywood Cir, Mableton in the County of Cobb, Georgia, commit the offense of VGCSA, LESS THAN ONE OUNCE MARIJUANA(M) violating O.C.G.A, Section 16-13-2(b), for that said accused did possess marijuana in an amount of one ounce or less, in violation of the Georgia Controlled Substance Act, to wit: the accused did possess 4.5 grams of marijuana in a clear baggy which was located in the inside left pocket of the jacket that he was wearing; on 9/30/2015 at 03:00 AM at Graywood Cir, Mableton in the County of Cobb, Georgia, commit the offense of VGCSA POSSESSION(F) violating O.C.G.A, Section 16-13-30(a), for that said accused did possess alprazolam, a Schedule IV controlled substance, in violation of the Georgia Controlled Substances Act, to wit: the accused did possess 4.5 grams of marijuana in a clear baggy which was located in the inside left pocket of the jacket that he was wearing. Inside of the clear baggy and located with the marijuana was a white pill identified as alprazolam; on 9/30/2015 at 03:00 AM at Graywood Cir, Mableton in the County of Cobb, Georgia, commit the offense of LOITER PROWL(M) violating O.C.G.A, Section 16-11-36(a), for that said accused was in a place at a time or in a manner not usual for law-abiding individuals under circumstances that warranted a justifiable and reasonable alarm or immediate concern for the safety of persons and property in the vicinity, to wit: the accused was seen inside of a vehicle located on a residential street where he did not live. When the husband of the victim began following the accused, he fled and the husband kept a visual on the accused until police arrived and apprehended him; and affiant makes this affidavit that a warrant may issue for the arrest of the accused.

Personally came R. McElwain who makes oath before a Magistrate of this Court that Daiquan Camp (hereinafter called the accused) AKA: did, on 9/29/2015 at 03:00 AM at Graywood Cir, Mableton in the County of Cobb, Georgia, commit the offense of VIOLATION OF GEORGIA GANG STAT(F) violating O.C.G.A, Section 16-15-4, for that Personally came Officer McElwain makes oath before a Magistrate of this Court that Daiquan Camp did, on September 29th, 2015 at approximately 0300 hrs at the below listed addresses did commit twenty offenses of Violation Street Gang Unlawful Acts(F) violating O.C.G.A, Section 16-15-4(a), for that it shall be unlawful for any person employed by or associated with a criminal street gang to conduct or participate in criminal street gang activity through the commission of any offense enumerated in paragraph (1) of Code Section 16-15-3, to wit: said accused is a member or associate of the Bloods criminal street gang, did conduct or participate in criminal street gang activity through the commission of entering auto (F), an offense that involves racketeering activity in paragraph (1)(A) of Code Section 16-15-3, to wit: said accused did unlawfully and without permission, enter into or was present while other members were unlawfully and without permission, with the intent to commit a theft therein, entering into twenty vehicles which were parked, unoccupied and unlocked. The vehicles were parked in the driveways at the below mentioned addresses. These addresses are located within two neighborhoods and are geographically located in close proximity together. The accused, who was caught after fleeing, had property belonged to victims in both neighborhoods. Furthermore, Camp admitted to being part of the group that was broken up and identified Malcolm Clarence, Omar Little and another unknown suspect as being parties to the crime. Camp would take the stolen items to a person in Atlanta who is known for taking in stolen electronics and then paying them. Said accused identified himself as being part of a four person group who was responsible for entering into twenty vehicles. This group has ties to the Bloods criminal street gang through its members and its method of operation. He was found to be in possession of numerous stolen items which belonged to the victims of the entering autos. Said accused admitted to stealing the items and taking them to a fence inside of Atlanta. These fencing operations are known to filter stolen items for criminals who often assist in building profits, paying dues and providing an income for those members who do not have jobs. This type of operation was documented in the late 1960's by the Los Angeles Police Department. The vehicles were parked in the driveways at the below mentioned addresses. These addresses are located within two neighborhoods and are geographically located in close proximity together. One of the suspects, Daiquan Camp, who was caught after fleeing, had property on his person which belonged to victims in both neighborhoods. Furthermore, Camp admitted to being part of the group that was breaking into vehicles and identified Malcolm Clarence, Omar Little and another unknown suspect as being parties to the crime. Said accused is an associate of the Bloods criminal street gang. The accused admits to being in the neighborhood where the twenty entering autos occurred. He claims that he was in the neighborhood visiting an unknown female. However, one of the suspects, Daiquan Camp, admitted to being with Omar Little and Malcolm Clarence while the vehicles were being entered. The accused often associates himself with Malcolm Clarence and the two reportedly steal items together on a routine basis. According to Camp, the two sale their items to a person in Atlanta who is known for buying stolen items and paying cash for them. These types of fences are known to assist local gangs in building profits, paying dues and providing an income for those members who do not have jobs. The Bloods were first documented in the late 1960's by the Los Angeles Police
