The following is a list of commonly asked questions:

Can I register for anyone else?

Yes, you may register for yourself and/or one other person, but please be sure to sign up both names when you sign in. You may still register for at least two classes per person, or more if there is room.

What happens if I have to cancel?

Please check your schedule carefully before committing to a class. No refunds will be issued after a class has started. If you must cancel after the class has started, a credit for the amount of the class may be issued to you. Please inform us of any cancellations as soon as possible. If there is a waiting list, we may be able to fill your spot.

Does Cobb Senior Services accept credit cards?

Cobb Senior Services accepts credit cards, cash, and checks. Online registration for computer classes, as well as activities and classes at the multipurpose centers, requires an email address and registration through Active Net at www.cobbseniors.org

You can go to www.computers4seniors.org for more information on classes and instructors. This is a website maintained by our computer instructors for student information.

Computer Practice Labs

You may sign up one week in advance for a one hour time slot.

Check with the front desk of each center for available seats.

A coach is present to assist with questions you may have.
