

Certification of Intent to Participate

Cobb County Water System’s Multi-family Toilet Rebate

The property listed below intends to participate in Cobb County Water System’s toilet rebate. As a mastered meter community, we have secured the participation of at least 50% of our residents. We will make 10% of the participating properties available for pre and post-inspections. We understand the property must be built in 1992 or earlier and have toilets that use greater than 1.6 gallons per flush in order to participate in the program. We further understand that a pre-inspection is required prior to purchase and install of the toilets. We will call Water Efficiency staff at 770-419-6244 to schedule a pre-inspection, We will not proceed with the retrofit until the pre-inspection has been conducted and we have received authorization to proceed.

Property Info

Name of Property: _____

Account Number: _____ Manager/HOA President _____

Total residential Units: _____ Number of Units participating: _____

Total Number of toilets: _____ Number of Toilets being replaced: _____

The property will have 90 days following the pre-inspection and approval to complete the retrofit and submit their application, purchase receipts, and proof of install. Only toilets that have received the USEPA WaterSense label will be eligible for a rebate. A post-inspection is required prior to awarding the rebate as a credit on the property’s Cobb County Water System account. Any reimbursement to individual residents will be handled by the property’s management.

By signing below, I certify that I have the authority to enter into this program on behalf of the above property, and I have secured the participation of 50% of our resident properties to participate in the program. I have read and understand the requirements of the Cobb County Water System Multi-family Toilet Rebate program.

Property Manager/HOA President
